

A visit to a place of worship

Self Assessment

Name: _____

Place of worship researched: _____

Having completed this project, I now know what this place of worship is for.

I am now very knowledgeable

I have learnt a great deal

I know a little more than before

I have learnt nothing

I understand what we should expect in this place of worship, and how people behave there.

I obviously understand

I have shown some understanding

I have shown a little understanding

I have understood nothing

I know what happens at a place of worship and understand why.

I fully understand how and why people worship

I understand well how and why people worship

I have some understanding of how and why people worship

I have no understanding of how and why people worship

I know what it feels like to be part of a community.

I know just what being part of this community means

I have a good idea what being part of this community involves

I know a little bit about the community at this place of worship

I don't know anything about the community

I have shown what makes this place of worship special.

It is obvious from my work what makes this place special

I have shown quite well what makes this place special

I have given some ideas about what makes this place special

My work doesn't show what makes this place special at all

The way the project was presented to us (including lessons, use of the library & ICT rooms, resources and activities) could have been improved by:

I could have seriously improved my project if I had:

My overall feeling about this project:
